

November 5, 1951

Mr. William L. Belser,
Dept. Microbiology
Yale University
New Haven 11, Conn.

Dear Mr. Belser:

I will be happy to accomodate your request for reprints and future mailings as far ~~as~~ the available supply permits. I hope you will understand that many reprints are no longer available, but the enclosed circular may be of interest to you in this respect.

Yours sincerely,

Joshua Lederberg
